His Excellency
A. B. Moore

Sir

The undersigned
have formed themselves into a
military company & have taken
the name of Cometbrake Cadets.

If your excellency can receive
the services of a company so young
as ourselves, we hereby place
our company under your or-
ders

We are too young to take the field
with regular troops, but if you
can furnish us with suitable arms
we think we can do some service
in case our county be invaded

Very respectfully

Your obedient servants
